4. Opinion in the DDR Ministry of Foreign Affairs concerning the FDJ Whitsun rally is that it was a tremendous success, that it demonstrated that all the wouth of the DDR is enthusiastically in favor of the republic.

5. Personnel of the DDR Ministry for Foreign Affairs are given political and professional training at the Verwaltungs-Akademie Walter Ulbricht in Forst Jinna. There are two courses offered, one lasting six months and the other two years. In addition, there are regular weekly orientation seminars held within the ministry itself, on Wednesday mornings from O815 to 1015 hours. For this purpose, the personnel is divided into groups of 15-20 persons and different speakers are provided each week. The seminars tend, however, to be perfunctory questions and answers based on the main points of the current SED party line.
